

WELCOME HOME

Celebration Villa is a unlicensed senior living community with Independent Living, Assisted Living, and Memory Care. Residents can expect a vibrant and social atmosphere where they can live amongst their peers.

Our focus is on overall wellness that promotes independence and a convenient lifestyle. We provide individualized care, as needed, as well as a life enrichment program to nurture the mind, body, and soul. In addition, maintenance and housekeeping are included so residents can enjoy their retirement years without worry.

Life is the journey where we connect to one another.

INDEPENDENT LIVING

Our independent living is exclusive for older adults. This means you will be living with your peers and many like-minded individuals who want the same things that you do! We provide amenities, activities, and services that contribute to a life of happiness and quality.

While residents live independently, Celebration Villa offers enrichment programming, such as arts and crafts, holiday gatherings, continuing education classes, and movie nights. Outings may include nearby parks, sporting events, shopping, and restaurants.

ASSISTED LIVING

Assisted living at Celebration Villa offers residents the services and personalized assistance to help support their independence in a safe environment. Residents receive all of the same services and amenities as Independent Living plus individualized care services such as assistance with Activities of Daily Life (ADLs). Our dedicated team of professionals ensures that your needs are met.

Whether once-a-day help or more, our staff will tailor a care plan to address each resident's unique needs.

Assisted Living Services:

- 24/7 staffing & support
- Assistance with ADLs (bathing, dressing, personal hygiene, etc.)
- Medication reminders and assistance with self administration
- Emergency Call System
- 3-Nutritious meals a day
- Social events, activities and outings
- Transportation for medical appointments
- On-site physical, occupational, and speech therapy
- Peace of Mind

MEMORY CARE

Memory Care at Celebration Villa provides all of the amenities of our Assisted Living as well as specialized Alzheimer's and dementia care in our secure, safe, and calming neighborhood.

Our *Along the Journey* caregivers receive specialized training on caring for seniors with memory loss. We meet each senior where they are at in their own journey. Engagement is promoted through social and stimulating activities, like brain games, music, and art classes, encouraging overall wellness.

Memory Care Services:

- 24-hour care and supervision
- Memory-enhancing activities and personal care
- Assistance with ADLs with self administration of medicine
- Peace of Mind

Through *Along the Journey*, we promote a sense of familiarity that helps residents relax and feel at home.

LIFE AT CELEBRATION VILLA

At Celebration Villa, we believe life should be celebrated at every stage. We prioritize a mix of offerings that nurture our residents' mind, body, and soul. Every opportunity is intentionally offered, with your input in mind to encourage and prioritize long-term health of our residents.

MIND: Intellectual exercise is the first of this trio and helps our seniors to improve attention, enhance memory, and increase independence.

BODY: Physical activity is crucial to maintaining seniors' balance and mobility.

SOUL: Enriching the soul can be done in a wide variety of ways, and are based on how residents would like to see their personal growth or give back to the local community.

We are non-medical
