Priority Life Care Family App.

We're excited to share that you can now download Priority Life Care Communication app for iOS and Android! This app will allow you to communicate directly with Brentwood at Elkhart community staff members and see programs scheduled on the activity calendar. This technology will allow you to be more engaged and connected to your family and our staff. It provides a fully integrated activities calendar and attendance tracking so you can know all the great activities your loved ones have participated in. Any questions, please contact us.
